

SF-560

SAMSUNG

Business Class Laser Fax/Copier Solution

It's fast and easy and has all the thoughtful features you'd expect from Samsung, including a fast Super G3 33.6 Kbps modem. Transmit a fax in 3 seconds. Turn out up to 17 copies per minute. Do more in a day and still enjoy a nice lunch. And do it all backed with the confidence of Samsung reliability.

Hard work that's as easy as it looks.

All The Speed You Need Fast plug-and-play setup. Fast Super G3 33.6 Kbps fax modem with 3-second transmission speed. Fast copying at up to 17 cpm. The SF-560 is the fast track to 5 o'clock.

250-Sheet Cassette A high-capacity cassette means less reloading, more productivity.

Versatile Paper Trays A 20-page automatic document feeder combines with a single-sheet multipurpose tray to support a variety of documents, including legal size.

One-Touch Dialing In addition to 80 speed dial locations you get 20 fast one-touch dial buttons.

Easy Toner Swap A simple one-piece toner cartridge is replaced easily via the front panel.

Intuitive Control Panel One-touch buttons and a clear display make everything easy.

Quality on every level.

Dependable Battery Backup In the event of a power interruption the SF-560 will still receive and store fax data for up to 96 hours.

Renowned Reliability Samsung laser office machines are constantly receiving awards and recognition for their superior reliability.

More features, increased efficiency.

More Fax Options Broadcast a single fax to several locations. Forward incoming faxes straight to your hotel. Set a password to receive incoming faxes. Leave a document in your machine to be retrieved by another. Easily.

TonerSave Can extend the life of your toner cartridge up to 40 percent.

TollSave Delay fax transmission and take advantage of lower phone rates.

Economical Operation The SF-560 is Energy Star Compliant and uses toner efficiently.

Copy Flexibility Copy and resize a document from 50% – 150% of your original. Copy legal-size to legal-size. Copy 99 times at the push of a button.
